EDITOR'S NOTE

The staff and I present to you, the student body and faculty the 1960-61 Bear's Tale. We hope that through this book of memories you will recall the pleasures of your high school years.

This annual is not dedicated to any one person, but to the hopes and dreams of everyone in GHS. It is dedicated to those who have made it what it is, both students and teachers.

For his expert counseling and his patient help we thank our sponsor, Mr. Jimmy Rowe. Without his help we could not have produced this annual.

There was a rule of the "Name the Bear" contest that no member of any publication staff could enter the contest. We would like to verify that Mike Cannon was not a memof the Bear's Tale staff at the time he won the contest, but several weeks later joined us.

With our sincere wish that you will enjoy and cherish this annual, we bring to you the 1960-61 Bear's Tale.

Sincerely, June Rotumel

ABOUT OUR THEME

Your annual staff has selected Mr. G. as the theme of the 1960-61 annual. We feel that he is appropriate because he protrays GHS school spirit in the form of its mascat.

The big brown bear's full name is Girard H. Smythe. No, he isn't real, but a paper mache' and brown cotton representation of a mischievous bear named Yogi Bear. The editor and assistant editor wrote the Hanna-Barbera Company to get permission to copy Yogi. We would like to thank them for their co-operation.

He received his name through a "Name The Bear" contest which was sponsored by your annual staff. The winning name was picked from the many names submitted by the student body. Mike Cannon, who gave the winning name, will receive a free annual.

There were so many good names given that it was a hard choice and we sincerely regret that all who entered couldn't win. The staff wishes to thank the student body for their support and suggestions.

Mr. G. has been present at some of our pep rallies and has represented the school mascat at our Homecoming Game. Throughout the 1960-61 Bear's Tale, pictures of him are used on the division pages. The staff has tried to capture Mr. G. going to school as the average GHS student. We have gotten pictures of him in classroom activities to show this. Mr. G. is used throughout the annual to add interest to the many important things that have happened in this year of 1960-61.

CONTEST

The mascot for the 1960-61 school year has been Mr. G., our Bear. In a contest early in the year Mr. G's official name was chosen by your Annual staff to be Girard H. Smythe. The winner of the contest was Mike Cannon, a Senior, who got a free Bears's Tale.

*** All-Star Stage Band

The G.H.S. Bondhas long been a representative of not only the High School but also of the city of Gladewater.

The 62 member band work hard to make our band one of the best in the state of Texas.

To prove they are hard working, they were the outstanding band at the Galveston Splash-Day Parade in May of 1960. Also, among their nanars is the distinction of being the Best band at the Gilmer Yamboree in October of 1960. They also received the honor of being rated first in Concert, inspection, and Marching.

These are among only a few of the many honors won by our band. They will journey to Los Angèles during the summer as their yearly trip.

The members of our Junior High Band work veryhard. Most of them are planning for the day when they can become members of the High School Band.

Their activities include concerts for grade school, and the Spring Concert.

It is the largest Junior High Band in years, and we know that they will be a real asset to the High School Band as well as to the student body.

Shown below are the Junior High Band officers: President, Claudia Houser; Secretary, and treasurer, Barbara Cannon; Reporter, Claire Hamilton; Sargent at Arms, Kay Craig, Karen Mars, Judy Thompson, Keith Jemigan, Clay Brazil, and Charles Valdetero.

Students of Gladewater feel that our High School Chair is the best. It is composed of seventy-four hard-working members.

The greatest honor that they received was that of three students being chosen to sing in the All-State Choir.

Our Chair's function is to promote music appreciation, to further the knowledge of music, and to learn to perform in public.

Their activities include a trip to Los Angeles, Spring Concert, School assemblies, contest, civic organizations, and taking part in TMEA Day at the State Foir.
